

Preschool News

September 2011

Hello and welcome to Preschool! My name is Miss Claire Marie and I am very excited to begin a new school year teaching Preschool at Provo Primary. We are very happy to see some little friends return and we are looking forward to welcoming our new ones! We also welcome Miss Kiera to Preschool she will be covering Miss Jeannette's maternity leave. Miss Kiera is Miss Myrna's cousin. She has worked with Miss Myrna during Easter and Summer Camps for the past 3 years so is very familiar with the school and working with young children. Miss Kiera is hoping to register on a new Government teacher's course this year and working here with us will give her valuable experience towards this. So it's an exciting time for everyone!

Meeting new friends.....

During our first few weeks the Preschool children will be settling into their new environment and getting to know their peers. Miss Kiera and I have some lovely stories, games, activities and songs planned for your children. We will cover all areas of the UK Early Years curriculum providing experiences that will help to contribute to their emotional and intellectual growth as well as fostering independence.

Nursery Rhymes

Our topic this term in Preschool will be Nursery Rhymes. We plan to examine one key Nursery Rhyme per week, focusing the animals, scenery, colours, numbers, rhythm and stories in each one. Through the term our hands on exploration will incorporate science experiments, baking, painting, sticking, drawing and role play. If your child would like to bring in a topic related book or toy to share at Circle Time that would be fantastic!

REMINDERS

- Please write your child's name clearly on all personal items
- Jewellery and flip flops are not permitted (only stud earrings)
- Fruit / healthy snack must be ready for your child to eat straight from the box.
- Please supply plenty of **water** for your child, we recommend 2 bottles during this hot season!

Teacher's Desk

Please check our outdoor notice board for updates on your child's daily activities. You are also welcome check out the teacher/parents indoor notice board for all future planning and events.

Once the children have settled in we will be having an open house morning so you can come in and work with your child in the classroom and informally chat to the teachers.

Thank You, Miss Claire Marie
