

CARDBOARD CITY

Help us
to build... 'Cardboardia'

a world where everything is made from
recycled cardboard!

All families are invited for an afternoon of creativity.

No technology, just simple, basic, imaginative fun!

Provo Primary & Middle School

Sunday 29th - 3pm

We have loads of cardboard to recycle - simply bring:

- Scissors, child-friendly cardboard knives.
- Masking tape
- An imagination

A refreshment stand will be available
but please feel welcome to BYO drinks and snacks

What will your family build together
for our cardboard world?
